---

## Model 1: Naive N-Gram

### Poems generated with "flames"...

flames through the rain  
i see you your death its not  
so cold our lips never

flames danced and  
ten breathing nothing bounty  
enough to fix this

flames are the night  
i was a haiku i am  
but my pain on my

### Poems generated with "i will go to the"...

i will go to the truth  
expected to change your  
light wants are us

i will go to the fringe cold  
hair awaits me escape through  
these seconds winters

i will go to the light  
i have to be with the sky  
in the frightened

### Poems generated with "sing a"...

sing a river and  
then dripping into the air  
dont be your day my

sing a weird skin but  
silence falls sidelong  
above thoughts dance and

sing a blue bed of  
life now you have never

one more spring

Poems generated with "misty mountain"...

misty mountain poems  
make a haiku can only  
make a good fight

misty mountain poems  
move across these places  
loved grasp as your

misty mountain cry  
you are you i have a  
haiku the day i

---

## Model 2: Line by Line

Poems generated with "flames"...

flames bright and dancing  
black he turns on me high now  
they say an empty

flames danced in  
such a steaming pitter patter  
on black blood again

flames people to  
reveal like me and one day  
im shooting save again

Poems generated with "i will go to the"...

i will go to the fringe time home by  
i am but my joy now it  
can have be your

i will go to the fringe day  
and lead to eat back at these painted  
good day not sweetness

i will go to the fringe time out  
of love i like you  
i want to have have please be your

Poems generated with "sing a"...

sing a song of red  
reed fields seed reefs aflutter

in damp soil arranged

sing a song of red  
reed fields seed reefs aflutter  
in damp soil arranged

sing a song of red  
reed fields seed reefs aflutter  
in damp soil arranged

### Poems generated with "misty mountain"...

misty mountain winds  
at thunder posion warm on  
a low observing

misty mountain winds  
turns from tiny ugly waves  
down my bubble chance in

misty mountain winds  
in work clouds cover me you  
but they awake the hat

---

## Model 3: Line by Line with stops

### Poems generated with "flames"...

flames bright and dancing  
eventually minutes  
their last flow like and soul

flames danced in his eyes  
it snow starts to many litecoin  
and hopes slush to hot girl

flames bright and dancing  
eventually minutes  
new life up distracted

### Poems generated with "i will go to the"...

i will go to the bed  
it are a syllables but  
i will have you

i will go to the short turn  
ive star you lining the dawn  
ive cute is clouds

i will go to the heart of you  
a war is and i am i  
know you are my eyes

### Poems generated with "sing a"...

sing a black in out my world  
mist must the moon in the night  
and listened the sun

sing a song of red  
reed fields seed reefs aflutter  
in damp soil arranged

sing a long a day now  
its i want the good idea  
is i know i am

### Poems generated with "misty mountain"...

misty mountain  
fatigue falls like tiny reflecting  
the oh world of course

misty mountain  
fatigue surrounded in secret  
are better might help right

misty mountain  
fatigue falls like branches park drop  
my sun will write cold
